ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURE

This Electronic Funds Transfer Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by R.I.A. Federal Credit Union ("Credit Union"). In this Agreement, the words "you" and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share and share draft accounts you have with the Credit Union. Electronic funds transfers are electronically initiated transfers of money from your account through the electronic funds transfer services described below. By signing an application or account card for EFT services, signing your Card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

1. EFT Services. If approved, you may conduct any one or more of the EFT services offered by the Credit Union.

a. **ATM.** You may use your Card and PIN (Personal Identification Number) in automated teller machines of the Credit Union, Shazam, Pulse, Cirrus, Plus, Networks, and such other machines or facilities as the Credit Union may designate. At the present time, you may use your Card to:

- Make deposits to your share and share draft accounts at Shazam terminals.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Access your line of credit (Konstant Kash) account.
- Make POS (Point-of-Sale) transactions with your Card and PIN (Personal Identification Number) to purchase goods or services at POS terminals that carry Shazam, Pulse, Cirrus, Plus network logo(s).

The following limitations on the frequency and amount of ATM transactions may apply:

- You may transfer up to the available balance in your accounts at the time of the transfer.
- You may withdraw PIN based transactions up to \$350 in any one day, based on your approved limit.
- See Section 2 for transfer limitations that may apply to these transactions.

Because of the servicing schedule and processing time required in ATM operations, there is a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal. You should review the Credit Union's Funds Availability Policy to determine the availability of funds deposited at ATMs.

b. **MasterCard-Shazam Chek Card.** You may use your Card to purchase goods and services from participating merchants. If you wish to pay for goods or services over the Internet, you may be required to provide card member security information before you will be permitted to complete the transaction. You agree that you will not use your Card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your Card purchases will be deducted from your share draft account. Funds to cover your card purchases may be held for up to three (3) business days or until the item has cleared. If the balance in your account is not sufficient to pay the transaction amount, the credit union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your Account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your Card and PIN (Personal Identification Number) in automated teller machines of the Credit Union, Shazam, Pulse, Cirrus, Plus, Networks, and such other machines or facilities as the Credit Union may designate. At the present time, you may also use your Card to:

- Make deposits to your share and share draft accounts at Shazam terminals.

- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Access your line of credit (Konstant Kash) account.
- Make POS (Point-of-Sale) transactions with your Card and PIN (Personal Identification Number) to purchase goods or services at merchants that accept MasterCard.
- Order goods or services by mail or telephone from places that accept MasterCard.

The following limitations on the frequency and amount of MasterCard-Shazam Chek Card transactions may apply:

- PIN based transactions are limited to \$350.00/day or your established limit.
- There is no limit on the number of MasterCard-Shazam Chek Card purchases you make per day.
- Purchase amounts are limited to the available balance in your account.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

c. **DANA (Audio Response).** If we approve the DANA audio response access service for your accounts, a separate PIN (Personal Identification Number) will be assigned to you. You must use your PIN (Personal Identification Number) along with your account number to access your accounts. At the present time you may use the audio response access service to:

- There is no limit to the number of inquiries or transfers, you may make in any one day.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each telephone call.

d. Preauthorized EFTs.

- Direct Deposit. Upon instruction of (i) your employer or (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or of federal recurring payments, such as Social Security, to your share account.
- Preauthorized Debits. Upon instruction, we will pay certain recurring transactions from your share draft account.
- The Credit Union will send you notice when a transaction is not completed as scheduled. (Illinois residents only)
- See Section 2 for transfer limitations that may apply to these transactions.

e. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or share draft you may authorize your check or share draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

f. Internet Account Access Electronic/PC EFTs. If we approve the Internet Account Access electronic/PC access service for your accounts, a separate PIN (Personal Identification Number) will be assigned to you. - Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make loan payments from your share and share draft accounts.

Your accounts can be accessed under the Internet Account Access electronic/PC access service via personal computer. Internet Account Access service will be available for your convenience twenty-four (24) hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. Your access to this service may be terminated after a period of 180 consecutive days of non use. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each access.

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one day.
- The maximum withdrawal or transfer amount may not exceed the available funds in your account.
- See Section 2 for transfer limitations that may apply to these transactions.

g. RIA EZ-Pay Bill Payment. We will process bill payment transfer requests only to those creditors the Credit Union has designated and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your share draft account for bill payment transfer within two (2) business days of the date you schedule the payment to take place. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

- There is no limit on the number of bill payments per day.
- The maximum amount of bill payments each day is the available balance, if there are sufficient funds in your account.

2. Transfer Limitations. For all share, Super Share and Xtra Kash accounts, no more than six (6) preauthorized, automatic, or telephone transfers and withdrawals may be made from these accounts to another account of yours or to a third party in any month, and no more than three (3) of these six (6) may be made by check, draft, or access card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed.

3. Conditions of EFT Services.

- a. Ownership of Cards. Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be reclaimed at any time at our sole discretion without demand or notice. You cannot transfer your Card or account to another person.
- b. Honoring the Card. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

- c. Foreign Transactions. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate used to convert foreign currency transactions to U.S. dollars is either a government-mandated exchange rate or a wholesale exchange rate and is selected by MasterCard. The rate MasterCard uses for a particular transaction is the rate MasterCard selects for the applicable currency on the day the transaction is processed. This rate may differ from the rate applicable on the date the transaction occurred or was posted to your account. A fee of up to 1% will be charged on all transactions completed outside of the United States, where the cardholder's country code differs from the merchant's country code. In addition, a fee of up to 1% will be charged on all transactions completed in a foreign currency. All fees are calculated based on the transaction amount after it is converted to U.S. dollars. These fees are charged except where excluded.
- d. Security of Access Code. You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any person you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.
- e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint account owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. Fees and Charges. There are certain charges for electronic funds transfer services. From time to time, the charges may be changed. We will notify you of any changes as required by applicable law.

If you use an ATM not operated by us, you may be charged a fee by the ATM operator and by any national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer). If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts or if you believe that an electronic fund transfer has been made without your permission using information from your check. However, TELL US AT ONCE if you believe your Card and/or access code has been lost or stolen or if you believe someone has used your Card or access code or otherwise accessed your accounts without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

You are not liable for an unauthorized MasterCard debit card transaction that was not conducted at an ATM if you can demonstrate that you exercised reasonable care in protecting your Card from loss or theft, you have not reported two or more incidents of unauthorized use in the past twelve (12) months, and your account is in good standing. Otherwise your liability for an unauthorized MasterCard debit card transaction that was not conducted at an ATM will be no more than \$50.

For all other EFT transactions involving access devices, including transactions conducted at ATMs, your liability for unauthorized transactions is determined as follows. If you tell us within two (2) business days, you can lose no more than \$50 if someone used your Card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card or code, and we can prove that we could have stopped someone from using your Card or code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your Card has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call:

(800) 383-8000

or write to:

6. Right to Receive Documentation.

- a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, Debit Card transactions, audio response transactions or preauthorized EFTs will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.
- b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or POS terminal.
- c. Legal Status of Receipts. (Iowa residents only) Receipts from the machines are subject to verification by the Credit Union. However, the receipt provided to the person initiating the electronic fund transfer is prima facie proof of the transaction which it records. Deposits are subject to verification by the Credit Union of the amount actually deposited.
- d. Member Records. (Iowa residents only) Keep all receipts as your record of your electronic fund transfers/transactions until you have received your periodic statement and have determined that it is correct. It is important that you reconcile the amounts in your Credit Union accounts with the statements sent to you by promptly checking your record of deposits, withdrawals, and electronic fund transfers. If there is an error, please contact the Credit Union promptly as provided in Section 5 of this Agreement. Your receipt will be important in proving any error. If you do not contact the Credit Union promptly, you may lose the right to have your account credited for the error.

- e. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling (563) 355-3800. This does not apply to transactions occurring outside the United States.

7. Account Information Disclosure. We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services, and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. Business Days. Our business days are Monday through Friday, excluding holidays.

9. Credit Union Liability and Preauthorized Payments.

Credit Union Liability for Failure to Make Transfers. (Illinois Residents Only) If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If funds in your account are pledged as collateral subject to our lien or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If any circumstances beyond our control (such as your willful or negligent use of your Card, access code, or any EFT facility for making such transfers) prevent the transaction.
- If the telephone or computer equipment you use to conduct audio response or electronic/PC transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- Any other exceptions as established by the Credit Union.

Credit Union Liability for Failure to Make Transfers. (Iowa/Wisconsin Residents Only) If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

Preauthorized Payments.

- a. Stop Payments Rights. If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.
- b. Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- c. Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

10. Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of Automated Teller Machines (ATM) and Night Deposit Facilities.

- Be aware of your surroundings, particularly at night.

- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your Card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number or code on your ATM Card or Card Sleeve.
- Report all crimes to law enforcement officials immediately.

We may also program our computer not to accept your Card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any EFTs made prior to termination.

13. Governing Law. This Agreement is governed by the Bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of Illinois and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located.

14. Enforcement. You are liable to us for any loss, cost or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such loss, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.
